

Bill Watch Action Plan

Mississippi HB 1484, SB 2114 and the 13th Amendment loophole · kemetimind.com

Protect yourself

- ☐ Stay silent about birthplace and status; you have that right.
- ☐ Open the door only for a warrant signed by a judge.
- ☐ Sign nothing you do not understand; ask for a lawyer.
- ☐ Write down a lawyer's number and a family plan (who picks up the children).
- ☐ Carry proof of status if you have it.

Pressure the system

- ☐ Ask your sheriff and board of supervisors: did the county sign a 287(g) agreement under SB 2114? Which model? Request a copy (Mississippi Public Records Act).
- ☐ Mississippi's 2027 session opens in January: call Judiciary committee members before committee deadlines on any bill like HB 1484.
- ☐ Ask your U.S. representative and senators to cosponsor the Abolition Amendment (H.J.Res. 216 / S.J.Res. 214) and H.R. 7161.
- ☐ Vote on Nov. 3, 2026; check your registration now.
- ☐ Follow the bills at kemetimind.com/controversial-bills-tracker

Build community defense

- ☐ Connect with MIRA (601-968-5182) and the ACLU of Mississippi.
- ☐ Join or start a rapid-response network.
- ☐ Film arrests from a safe distance; never touch or block officers.
- ☐ Attend county and city meetings when 287(g) or jail contracts are on the agenda.
- ☐ Bring the issue to your church, lodge or block club.
